November 28, 2016

Region 4: Arkansas  
J.M. Rowe  
Acting Chair

Region 34: Oklahoma  
Scott Walsh  
Chairperson

Region 16: Kansas  
Jason Bryant  
Chairman

To whom it may concern

Please find attached a 700 MHz license application being processed for Stone County Missouri.

This application is for one 700 MHz channel to be utilized for a digital vehicular repeater use in Stone County Missouri. The frequencies being selected are from the Stone County allotment.

Documents include a justification letter and map showing area of operation.

Region 24 is requesting concurrence from Regions 4, 34 and 16. If you could provide a letter as soon as possible, it would be very much appreciated.

Thanks, and if you have any questions, please don't hesitate to contact me.

Sincerely,

*Scott Bigham*

Scott Bigham, Chairperson

Region 24, 700 MHz, Regional Planning Committee
