RE: Region 34 approval of 800MHz application identified below

Dear James Morris:

As the Chairman for Region 34 800MHz Planning Committee, I write this letter to reflect that the committee has reviewed the City of Oklahoma City's application to the Federal Communications Commission (FCC), Frequency Coordination CAP19012114004424 (license WQLD718) operating under rules 90.617, FRN 0001692599.

The committee found that the request was in compliance with the Region 34 Plan. Based upon the review by the Committee, the application has been approved.

Please accept this letter as an approval for the aforementioned amended Frequency Coordination CAP19012114004424.

Respectfully,
