Dear Mr. Shoemaker,

Region 18 has reviewed the Region 34 700 MHz plan, and on behalf of Region 18 by copy of this letter concurs with the Region 34 plan.

Region 18 requests that Region 34 allow us to review any FCC applications that would affect our Region, prior to that application being submitted to the FCC. Region 18 will respond in a timely fashion as set forth in our dispute resolution.

Sincerely,

Kenneth Hughes, Chair
